Under the agreement for 2015
Deception Bay North State School will receive $214,480*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Increase the percentage of Year 3 students meeting National Minimum Standard in reading and numeracy to 95% within two years.
- Diagnose learning difficulties of students.
- Develop learning plans for all students who are below the National Minimum Standard in reading and numeracy and provide targeted intervention.
- Increase the percentage of Year 3 students in the NAPLAN Upper 2 Bands in numeracy to 30% within two years.

Our strategy will be to

- Further develop proficiency amongst staff in data analysis and differentiation of classroom programs.
- Regularly review student performance data and develop learning plans to meet the needs of students.
- Provide for the learning needs of highly able students particularly in Years 2 and 3.
- Engage specialist support staff (vision testing, Pan-Pacific teacher aide and learning support teacher) for Prep-Year 2 students identified through on-entry testing.
- Provide explicit feedback to students and parents regarding progress towards learning goals in reading and number and adjust programs and support as required.
- Continue to develop teacher capability through focused observation and feedback processes.

Our school will improve student outcomes by

- Providing professional development for teachers across areas identified in school priorities of reading, comprehension and number through the Performance Development Process. $14,000.00
- Building professional expertise through the Learning from Others program. $10,000.00
- Enhancing the support for teachers and students through teacher aides providing targeted intervention in reading and numeracy. $62,000.00
- Providing for the particular needs of students through Pan-Pacific aide. $16,000.00
- Providing for vision testing of all students new to the school and those referred by class teachers. $1,500.00
- Creating a professional development program around data analysis which supports teachers to identify student groups and the particular needs of all students. $6,000.00
- Building teacher capability through the employment of 1.0 FTE co-teachers to provide assistance to staff and students. $104,980.00
